

Roadrunner Region NCCC FAQ

BENEFITS OF BELONGING TO NCCC

Friendships	NCCC brings people together through one common denominator...the Corvette. Even if it is a Drive'n Dine on a Saturday night with your own club or a Mystery Tour with a nearby club; it's always a good feeling to be with others who share the same interests. NCCC can introduce individuals to a network of people nationwide. It is amazing how many friendships will grow through your NCCC membership.
Member Discounts	The NCCC Director of Sponsorship works with corporations in an effort to offer discounts for services and products to NCCC members. Discounts include: rental car companies, tire companies, hotels, after-market accessories, etc. Current discounts are on the NCCC website: http://www.corvettesnccc.org
Charities and Grants	An annual Corvette Raffle and NCCC merchandise sales generate funds to support NCCC's Grants and Charity programs. Over the years, NCCC has donated over \$1.5 million to the <i>Muscular Dystrophy</i> , <i>Spina Bifida</i> , and <i>National Kidney Foundations</i> . Starting in 2016, our national charity is St. Jude's Children's Research Hospital. The Grants Program has given emergency funds to many NCCC members after floods, fires, and other losses and hardships.
Events	One of the great advantages of joining NCCC is access to a wide variety of events based upon our common love of America's true sports car – the Corvette. Instead of a member's primary club having to hold every type of event frequently during the year, the combination of region clubs provides members with opportunities to experience the full spectrum of Corvette activities throughout the year. There is something for everyone's interests and choices. Car shows include judged Concourse and People's Choice events. Rallies can be a combination of driver and navigator skill or ones simply based upon fun gimmicks. Caravans may lead to a weekend destination or an evening's dining. Drag Races and Autocrosses are held in a safe and controlled environment and provide members with an opportunity to enhance their driving skills as well as experience competition with their skill-level peers. Time Trials are events where one seeks their best lap time in a road course environment. There are also Funkhanas that combine in-and-out-of-Corvette antics and games, and even Economy Runs. Many of these events are sanctioned with clubs and members earning points toward annual region awards. You can also participate in events nationwide during your travels. NCCC maintains a comprehensive rulebook that provides guidelines for conducting all types of events safely and responsibly. It is available on the national & Roadrunner web sites and is reviewed and updated regularly.
Scholarship Program	The NCCC Scholarship Program awards scholarships to worthy young people who have some connection with NCCC through a relative who has been a member of NCCC for at least three years.
Nationwide Support Network	NCCC has members around the country who have a wealth of Corvette information and knowledge. It doesn't matter if it is a part you're seeking, more information about your Corvette, how to fix your Corvette, or even a family / health issue; NCCC gives you all the experience of a large extended family. Contacts can be direct, through web sites, or through the NCCCNet e-mail system.
Family Helping Family	Family Helping Family is a Directory of NCCC members (posted on the NCCC website - password protected & available to all NCCC members through their club governor); who have volunteered to assist NCCC members wherever they travel. NCCC members always have peace of mind knowing they have a Corvette network travelling with them.
Annual Convention	NCCC hosts a convention in a different part of the country every year. Convention is a fun place to meet new friends from around the country, share Corvette experiences, and build relationships..
Blue Bars	Blue Bars is the official publication of the National Council of Corvette Clubs (NCCC). Coverage includes information about regional and national NCCC events and showcasing clubs around the nation. Under a new Editor, it is published quarterly. A copy is provided to each primary member. Now online.
NCCC Website	The NCCC website connects all the Clubs and Regions. It is the central location for NCCC Members to gain information on NCCC events and benefits. It also houses the NCCC Classified Ads which members use to sell Corvette related items. http://www.corvettesnccc.org Each region also maintains a web site with region-specific information. In Roadrunner it is: http://www.ncccradrunner.com
Insurance for Club Activities & Events	See attached FAQ's: "General Insurance Section" containing details on NCCC insurance benefits: <ul style="list-style-type: none"> • NCCC provides third party liability insurance to member clubs that are in good standing. • Policy provides a total limit of \$5,000,000 of liability coverage per incident. • Any person on premises at an NCCC event would be covered for any negligent act of NCCC • As long as a member club's event is published (I.e., Website, newsletter, etc.); NCCC policy protects the club & its members even if the event is a non-sanctioned event. • Car show damages are the most common claims against clubs (I.e., a club owned canopy falling onto a Corvette; a spectator slipping and falling). • Liability protection covers club, region, and national officers while performing their volunteer duties. • NCCC insurance does not require member names, addresses, contact information, and car info to be provided to our insurance company. NCCC insurance does not require a Certificate of Insurance for non-sanctioned events, while most companies offering car club insurance require one for each covered activity. • NCCC insurance covers club/officer liability if an incident arises after an event where liquor is served as long as it is not sold by the club.
